## Water Shut-off New Information:

Effective January 1, 2014, all residents who have had their water shut-off for being 2 quarters behind on their payments, will be charged \$50.00 for a reconnect fee in addition to the outstanding bill which must be paid prior to having the water turned back on. There will be no exceptions to the above procedures. If you cannot make your payments, contact

Town Hall during normal business hours to make arrangements for a payment plan. These arrangements must be made when you receive your shut-off notice.

Payments can only be made at Town Hall or by mail.

## Water Meters

New water meters have been installed at all properties in the town. Meters will be read every month but billing by usage will probably not start until April 2014.

Some property service addresses may be changed to conform to the 911 addresses. You will be notified by mail from the town as to your new service address if a change is necessary. This will not affect your P.O. Box mailing address. This is only the physical address of your property. If you have any questions, please contact Town Hall.

## Snow and Ice:

Can you believe that winter is just around the corner?

Since this is the last newsletter that you will receive before next year, we are reminding you of the policy for snow and ice removal.

Sidewalks need to be cleared for pedestrian traffic, no more than 24 hrs. after the snow or ice has stopped falling. Each homeowner is responsible for the sidewalk in front of their homes. If everyone helps out with snow/ice removal, our sidewalks will be safe for everyone during the winter months.

## NEIGHBORHOOD WATCH PROGRAM
