Terrena Brown explained that she was sent a letter concerning trash on the fence between her neighbor and her property. She tried unsuccessfully to make

contact with the town code enforcement person but he has yet to return her phone calls but she wanted the council to know she spoke to the neighbors who were throwing it over the fence and they cleaned it up right away. She was curious as to why he sent it to her and not to bother.

Elmer Brown asked about Mayor Glanden piling wood near the recycling bins and what was going to be done about it. Mayor Glanden stated he would get it cleaned up. Councilwoman Virginia Simpler stated that she would like to see code enforcement person Randy Speicher at all the council meetings so he can explain to the public what he is doing.

Ricky Maddox asked about speed limits signs at Waters Edge. Mr. Layton agreed with the plan. Mr. Pepper asked the Pfc Buchwald if the police can enforce the speed limit on a road that is not public yet. Pfc Buchwald stated that he could not do speed enforcement but was patrolling the area to help deter crime. Once the development is turned over to the town the police would be able to do speed enforcement.
