Jeremy Hamner discussed his concerns that one member of the council was singling him and his camper out as being in violation of town ordinances. He stated that no other box trucks, campers or trailer were sited and towed. He felt that Councilwoman Amanda Hudson was using her position as a councilmember for her

own benefit. Mr. Hamner stated that the street his camper is parked on allows 20' from the neighbor's driveway to his camper and that is wider than a lot of the streets in town. He stated he just wanted to be treated fairly. After a lengthy discussion Councilman Poncho Davila made a motion to waive the ordinance on parking campers on the street until Sgt. Darling, Randy and Mr. Pepper do some investigation into the matter and see if action needed to be taken as a council. Motion passed by unanimous voice vote.
