TOWN OF FREDERICA NEWS

NEW CODE ENFORCEMENT OFFICER!

We are proud to welcome a new code enforcement officer to Town. At the regular meeting on June 6th, 2018 Council unanimously agreed to welcome Dennis Russum to our team. Dennis comes to us from 30+ years of experience in construction, permits and inspections. As you may know, we have been without a code enforcement officer since the beginning of March, and we are eager to get the department up and running at proper speed again! We appreciate your patience in these interim months, but if you are waiting for an inspection, or have any reports to make, please call or e-mail in to us and we will now be able to better assist you. There are postcards going out in the mail soon containing a list of common violations to proactively look for and address before notices start going out in August!

WATER QUALITY REPORT

Our 2017 Annual Water Report, or Consumer Confidence Report (CCR) is posted online and is available at Town Hall to be viewed. For online availability, go to our website under the "Water Department" tab, or type in the direct link below.

FREDERICA DAY

Our Annual Frederica Day will be On Saturday, September 29th 2018 this year. This is a day full of family fun everyone, with food, crafts & vendors, a bouncy house, parade, and more! If you or anyone you know would like to be a part of Frederica Day, the parade, or just want to help, contact Town Hall or Renee at the Frederica Senior Center for more information!

Update On Frederica Road Project

As you may know, the Town was FINALLY able to take ownership of the properties located at 1289 & 1313 Frederica Road. We are working with the help of DNREC and a couple of grants to get this problem property cleaned up and converted into something useful for the Town. We are actively building a page on our website that will track this project from start to finish, so stay tuned for more information and exciting news!

WATER SHUT OFFS

Reminder-Water shut-offs for delinquent accounts are the 3rd Saturday of every month. Payments need to be made prior to the 2nd Saturday of the month to avoid getting a door-hanger notice. Notices are generated on town provided utilities, (Both Trash AND Water account balances). There is a \$50.00 Fee in addition to the balance owed to reconnect water services after shut off due to delinquency. NO Exceptions.

TRASH & RECYCLE REMINDER

Please remember to put your trash and recycle cans out the night before trash pick up. Especially in the summer months, Charlie's Waste often comes through town around 6:00 AM. If for any reason your can was out and was missed, please let us know so we can resolve the issue.

DELINQUENT BILLS

Bills not paid on time will have interest added every month immediately after the due date. It is a 1.5% interest rate on property taxes, and 2% interest rate on trash and water.
