

Town of Frederica

Sustainable Community Survey

Please take a few minutes to answer the questions in this survey. Your responses will help the Town plan improvements for sidewalks, bike paths, pedestrian access, lighting and other things that will help make Frederica a better place for you, your family and for visitors. We value your opinion and also need volunteers to participate in a working group to discuss these topics. If you are interested in being a volunteer for this committee, please provide your name and the best way to contact you at the end of this survey. The group would only require a few hours of your time over the next several months.

We ask that you drop off this completed survey in the mail slot at Town Hall. Putting your name on this survey is optional. If you have special needs for getting your survey to Town Hall, please call the office at 302-335-5417.
