

Delaware Department of Transportation

Nicole Majeski
DeIDOT Secretary

**Public Workshop
Frederica Road
Pedestrian Improvements
Frederica Town Hall
2 West David Street
Frederica, DE 19946**

Wednesday May 15, 2024, 5 PM-7 PM

The Delaware Department of Transportation (DelDOT) with the Federal Highway Administration (FHWA) Transportation Alternatives Program and project sponsor, Town of Frederica, invites the community or at-large public to attend a public workshop for the Frederica Road Pedestrian Improvements plan. The proposed improvements are consistent with action items included in the Town's Comprehensive Plan. Proposed improvements include a shared use path along the west side of Frederica Road from the Senior Center to Front Street and a sidewalk along the east side of Frederica Road from David Street to Front Street with all way stops and pedestrian crossings of Frederica Road at David Street and Front Street.

The purpose of the Public Workshop is to provide the public an opportunity to review and discuss the proposed improvements, goals and objectives, and next steps. Attendees will have an opportunity to review display materials, provide input, and offer comments. Project team members will be available to answer project related questions.

Interested persons are invited to express their views in writing, giving reasons for support of, or opposition to, the proposed changes. Comments will be received at the workshop, or can be mailed to DelDOT Community Relations, P.O. Box 778, Dover DE 19903, or sent via email to dotpr@delaware.gov.

Parking is provided onsite. This location is an ADA accessible facility. Any person having special needs or requiring special aid, such as an interpreter, is requested to contact DelDOT by phone or mail a week in advance to make arrangements.

For further information, contact DelDOT Public Relations at 1-800-652-5600, 302-760-2080, write to the above address, or visit www.deldot.gov.
