Grass Cutting

Spring has officially sprung! Please remember to stay on top of grass cutting. Each property owner is responsible for maintaining their yards according to the Frederica Town Code. Grass and weeds should be kept below 6". Bushes and tree limbs should be trimmed back so they are not hanging over neighbor's yards, streets or sidewalks. Grass clippings should be blown back into your yard and not into the streets, sidewalk or neighbors yard.

Please feel free to contact our Code Enforcement Officer to discuss what is and is not permitted for property maintenance.

If your property is NOT maintained, the Town will be forced to perform the work and assess fines to your account.
