TOWN COUNCIL COMMENTS: Councilman Maddox asked when the next LDO meeting was, he was advised it would be the following day at 6:00

Councilmember Rager reported that he had read some complaints about a second trash can not being picked up, he then asked about the number and type of trash receptacles to use. He was told per the Towns contract that each house is supplied with a blue company container for trash, and they could have one extra container no larger than 30 gallons, no loose bags would be picked up and cardboard must be bundled and bound for picked up as a bulk item.

With no further business, Councilmember Maddox made a motion with a second by Councilmember Simpler to adjourn the meeting. Meeting adjourned at 7:12

Respectfully submitted.
